

ESSENTIAL TO ST. ANDREW'S: *Worship & Music*

WORSHIP & MUSIC

is \$255,160 (26%) of our budget

Total 2017 Budget: \$981,305

Worship and Music are cornerstones of parish life at St. Andrew's.

Each week St. Andrew's celebrates God's word and Christ's love with more than 350 people at eight regularly scheduled services as well as funerals, weddings, and blessings.

In church this morning you were given a service bulletin, heard the rector preach, used the Hymnal and Prayer Book in your pew to participate in the service, listened to the music director play the organ while she conducted the choirs at the 10am service, and watched the acolytes process down the aisles at the end. What it is that makes your experience meaningful is different for everyone, but this traditional approach to worship remains an integral part of our parish life.

Without the continued financial support of the Annual Giving campaign, St. Andrew's would not be able to maintain its current level of worship and music.

BEHIND THE ALTAR

Did you know that St. Andrew's only has one paid clergy? Only our rector, The Rev. Alan Gibson, receives a salary.

The work of St. Andrew's would not be possible without generous gifts of time from our four volunteer clergy and all of the parishioners who participate in each service.

COME FOR A CONCERT

Music at St. Andrew's is so much more than just hymns and anthems on Sundays.

St. Andrew's collaborates with guest musicians for concerted masses and special services, hosts an annual concert series, and provides recital and concert space for local musicians.
